OUR COMMITMENT

We are dedicated to continuously searching for the cure to damaged hair through the use of superior natural and certified organic ingredients. KeraGreen Keratin and Protein Hair System, restores the youth of your hair while preserving your health, and our fragile ecosystem for future generations. Experience the magic of organic.

WHY ORGANIC?

Our health and the future of our planet are in our hands today. The carbon footprint we leave behind will impact the quality of life for generations to come. Our products are formulated with certified organic ingredients that do not harm our fragile ecosystem through the use of chemicals and pesticides. Millions of people suffer from chronic health problems linked to their exposure to pesticides and carcinogens. It is our goal to reduce our exposure to such harmful agents while still looking beautiful and feeling great. We are committed to promoting healthy hair and a healthy environment.

*As far back as 1987 the U.S. EPA classified it as a probable human carcinogen and after more studies the WHO International Agency for Research on Cancer (IARC), in 1995, also classified it as a probable human carcinogen. Further information and evaluation of all known data led the IARC to reclassify formaldehyde as a known human carcinogen associated with nasal sinus cancer and nasopharyngeal cancer, and possibly with leukemia in June 2004.

APPLICATION

- Wash hair twice with KeraGreen Keratin & Protein Hair System Clarifying Shampoo.
- Towel dry hair about 75%
- Section of hair and apply KeraGreen Keratin Treatment preferably with a spray bottle (do not use more than 1.5 oz. of keratin for medium length hair).
- Comb into hair and let it rest for 10 minutes, then blow-dry hair completely.
- Section off hair and iron using a professional ceramic hair iron heated to 450 degrees, thereby sealing the keratin in the hair.
- Wash hair after 3 or 4 days with our specially formulated Protein Shampoo and Conditioner.
